Sir:

INFORMATION DISCLOSURE STATEMENT

Applicant and counsel recognize the provisions of Rule 1.56 and the  
detailing of Rules 1.97 and 1.98.

Please note, however, that the subject application is a continuation of parent  
utility application identified as Serial No.10/113,961 filed 03/29/2002 (which claims the  
benefit of provisional application, Serial No. 60/281,190, filed 04/03/2001).

Therefore, the provisions of the Manual of Patent Examining Procedure as  
set forth in Section 609 reading:

The examiner will consider information which has been considered by the office in a parent application  
when examining (A) a continuation application filed under 37 C.F.R. 1.53(b) ... \* \* \* Such  
information need not be resubmitted in the continuing application ...

This application so qualifies, and the Examiner is most respectfully  
requested to take all relevant prior art into consideration in examining this application.

Respectfully submitted,

Date: 25 Aug 03
